

ONE GIFT *GROWS A LONG WAY*

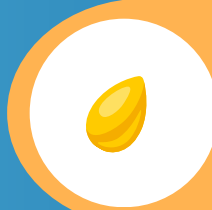

United Way
of Henderson County

United Way of Henderson County supports 26 local nonprofits operating 44 programs in our community. *See how your one gift grows!*

For example, one gift helps survivors of interpersonal violence through their journey of healing and regaining independence. See below for how local UWHC funded partners work together in coordination to provide needed services to survivors and their families.

CRISIS

A call to 2-1-1 links survivors fleeing abuse to **Safelight**, a local nonprofit serving survivors of interpersonal violence

CARE

From there, survivors get access to medical care from **The Free Clinics**

SUPPORT

They also get connected to **Pisgah Legal Services** who can help them navigate the legal system

STABILITY

OnTrack offers support to survivors on their path back to financial stability
